From Rebellion to Righteousness by CJ Wessel

CJ Wessel

Hi, my name is CJ Wessel. I am now 25 years old and doing great. My testimony begins when I was young and rebellious. I grew in the country with, in my mind, a whole lot of nothing to do other than partying and tipping cows, which wasn't much fun. When my parents divorced I really went crazy and rebelled even more. At age 12, I had my first taste of alcohol. By 15 I was heavy into drugs ... smoking pot, taking pills,..whatever I was offered. By the time I was 18 and 6 months into my senior year, I made the next big mistake of dropping out of school. It didn't take long before I was homeless, smoking crack cocaine and stealing anything that wasn't nailed to the wall! But even in that mess I was totally self absorbed. I remember walking down the road as cars would pass me thinking, "I'll never have anything like that ... no wife ... no kids ... no life!"

After a year or more of getting into trouble I realized I was sick and tired of being sick and tired. I went to my dad's to get away from everything and slept for 5 days! During this time the opportunity came up to go to Teen Challenge and on April 28, 2004 I entered the program. I remember on my way there I put the biggest chew of dip in my mouth I could fit! That said a lot about where my head was at. But at the Ranch I learned about relationship in a way I had never known and the world suddenly became much bigger than myself! Teen Challenge provided me with the discipline that I so desperately needed in my life. They gave me the spiritual tools I needed to make a consistent change every day. Teen Challenge showed me that it wasn't the drugs or alcohol that was the problem ... I was the problem and the sin in my life! When you

overcome sin with righteousness you will win every time! By opening up and receiving what Jesus and the program offered, I successfully completed Teen Challenge on May 6, 2005! Not long however, after my completion, I began to compromise my walk – just a little. I also had a prideful self image that I had not given up. Soon, I had re-entered into the same place God brought me out of. Thankfully, I soon came to my senses that I was outside real relationship and re-living the lie. That is what quickly brought me back and has sustained me since.

Today I am blessed with a beautiful wife and 3 beautiful children. Hannah – 3 yrs, Joshua – 2yrs and Caleb - 9 months. For 5 yrs have I worked for City Sash Home Improvements selling windows, roofing, siding, etc. Because of my walk of trust in Him, God has blessed and prospered me in every way and beyond my expectations. I can't say how privileged I feel to be part of Teen Challenge and one of the changed lives!
